ABSTRACT : The abstract should summarize the content of the paper. Try to keep the abstract below 200 words. Do not make references nor display equations in the abstract. The souvenir will be printed from the same-sized copy prepared by you. Your manuscript should be printed on A4 paper. This will enable us to keep uniformity in the final printed copies of the souvenir. Please keep in mind that the manuscript you prepare will be photographed and printed as it is received. Readability of copy is of paramount importance (Abstract in 9 size Arial line spacing 1)

Keywords: 4 Key words in 9 size Arial

1. Introduction (11 size Arial bold)

All manuscripts must be in English. These guidelines include complete descriptions of the fonts, spacing, and related information for producing your proceedings manuscripts. (10 size Arial with 1.15-line spacing)

2. First-order headings (11 size Arial bold)

First order heading should be 11 size Arial bold with 1.15-line spacing, initially capitalized, flush left, with one blank line before, and one blank line after.

2.1. Second-order headings (10 size Arial bold)

Second order heading should be 10 size Arial bold with 1.15-line spacing, initially capitalized, flush left, with one blank line before, and one blank line after.

2.1.1. Third-order headings. (10 size Arial bold)

Third order heading should be 10 size Arial bold with 1.15-line spacing, initially capitalized, flush left, with one blank line before, and one blank line after.

In second page write all nomenclature used in manuscript.

3. Tables and fig. (11 size Arial bold)

Table 1 Data table

Sr. No.	Margin	Value
1	Left	0.8"
2	Right	0.8"
3	Top	0.8"
4	Bottom	1.0"

To ensure a high-quality product, diagrams and lettering MUST be either computer-drafted. Figure captions appear below the figure, are flush middle, and are in lower case letters. When referring to a figure in the body of the text, the abbreviation "Fig." is used. Figures should be numbered in the order they appear in the text. Figure is in center with figure number at bellow centrally justified 8 size Arial font.

Table captions appear centered above the table in upper and lower case letters. When referring to a table in the text uses "Table" with number and name. (10 size Arial with 1.15-line spacing)

4. Conclusion (11 size Arial bold)

A conclusion section must be included and should indicate clearly the advantages, limitations, and possible applications of the paper. Although a conclusion may review the main points of the paper, do not replicate the abstract as the conclusion. A conclusion might elaborate on the importance of the work or suggest applications and extensions. (10 size Arial with 1.15-line spacing)

5. References (10 size Arial with 1.15-line spacing)

The template will number citations consecutively within brackets [1]. The sentence punctuation follows the bracket [2]. Refer simply to the reference number, as in [3]—do not use “Ref. [3]” or “reference [3]”

For papers published in translation journals, please give the English citation first, followed by the original foreign-language citation [6].
